## Thy Life.

Just live thy life in full content;  
Do all thy best with what is sent.  
Thou but receivest what was meant.  
Just live thy life.

Just live thy life. Be not in fear.  
The strength of wrong shall disappear.  
And right is ever drawing near.  
Just live thy life.

Just live thy life. Seem what thou art.  
Nor from simplicity depart.  
And peace shall come upon thy heart.  
Just live thy life.

—J. L. Stockton.

THE Hondo Anvil Herald nominates Congressman Garner to succeed Joe Bailey in the United States Senate, and the Texas Republic nominates Joe Bailey for Governor to succeed Colquitt. The lists are still open.—San Antonio Express. Moved that the Republic be declared out of order, and that nominations be now closed.

"DEAD things sometimes crawl", an old saying runs. In the recent amendment election Palestine, Mineral Wells and San Angelo and the counties in which they are situated showed up with substantial dry majorities which led the branch water folks to conclude that they could easily dry them up with local option elections. But the hope was Dead Sea apples upon their lips, as all of them swung safely back in the wet column. The fact is, the prohibition question has gone to seed. The people want a rest.—Cuero Star.

REFERRING to the proposed joint meeting of the commissioners of Bexar, Atascosa, Frio and Medina Counties for the purpose of considering the matter of opening a graded road from San Antonio to Pearsall, the Hondo Anvil Herald gives the scheme its hearty approval and believes that all the people in the territory contiguous to the road will do the same. It has got so now that everybody wants good roads and the farmers are beginning to appreciate them as much as anybody, which was not so a few years ago.—San Antonio Express.

WE have found in personal experience that obeying conscience is the only way to secure peace of mind. Whether there be some far-off, final judgment-day, no one can prove. In fact no earnest man really cares. But every one knows that the deeds and thoughts of the day leave one happy or sad as has been the sum of one's thoughts and conduct. It is a supreme fact of individual experience that God's Court never adjourns. It holds sessions in the secret chamber of one's own soul, and it never discharges a culprit until the whole truth has been uncovered.—Rev. Lee S. McCollister.

THE Hondo Anvil Herald quotes an appointment for a joint commissioners court meeting of Bexar, Medina, Atascosa and Frio counties to improve a road to Pearsall. Texas seems to be waking up on the road question.—Cuero Star. When those Southwest Texas county commissioners begin holding joint meetings that way there is likely to be something doing. The spirit that moves in that wonderful country is the sort of thing that makes for development and progress. That good road, by the way, is to make a connection with another good road that leads to Galveston, the city with the best beach in the world for automobile speeding.—Galveston News.

### Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or dis-  
ease of the organs distinctly feminine. Such sickness can be cured—is cured  
every day by

### Dr. Pierce's Favorite Prescription

**It Makes Weak Women Strong,  
Sick Women Well.**

It acts directly on the organs affected and is at the same time a general restora-

of home. It makes unnecessary the disagreeable questioning, examinations and  
local treatment so universally insisted upon by doctors, and so abhorrent to  
every modest woman.

We shall not particularize here as to the symptoms of  
those peculiar affections incident to women, but those  
wanting full information as to their symptoms and  
means of positive cure are referred to the People's Com-

While Merchant P. C. Jagge and  
Master Geo. Etter were engaged in  
cleaning out Mr. Jagge's acetylene  
tank Monday afternoon an explosion  
occurred and both sustained painful but  
fortunately not serious burns to their  
hands and faces. The cause of the ex-  
plosion is not known.

Messrs. Forst and Cole made a busi-  
ness trip to the dam site Monday, re-  
turning Tuesday.

Geo. B. Noonan left on a business  
trip to Beeville Tuesday.

Messrs. Albert Haby and Henry  
Loessberg left Wednesday morning on

Quite a gloom was cast over our lit-  
tle town when the sad news reached us  
that Mr. Charles Wernette of San An-  
tonio had departed this life. The de-  
ceased was born and grew up to man-  
hood at Castroville. He leaves a  
widow and several children, his aged  
father, Col. J. B. Wernette, two  
brothers and three sisters, and a large  
number of near and dear relatives to  
mourn his untimely demise. May he  
rest in peace.

The infant son of Mr. and Mrs.  
Alfred Tschirhart, (born Aug. 29th.)  
of the Sauz, died Thursday evening  
and was laid to rest Friday afternoon  
at the Catholic Cemetery. Rev. Father

Heckman performed the last sad rites.  
We join in sympathy with the grief-  
stricken and bereaved parents.

A Surprise party was tendered Miss  
Katie Kaufmann at Tschirhart's Pavil-  
ion on Thursday night. The same was  
well attended and very much enjoyed.  
Editor Holzhaus and Prof. Ed. Bal-  
mos were Damsite visitors Thursday.

News reached here Saturday morn-  
ing that the S. P. R. R. Co.'s safe at  
Lacoste had been blown open and  
rifled of about \$30. Judge Peter Hoog,  
who went down to investigate, infor-  
med us that in his opinion the burglar

dele of Francisco on Saturday, Sept.  
9, a son and heir, and to Mr. and Mrs.  
Joe Conrad of this place on Sunday,  
Sept. 10, a son.

Mr. and Mrs. Louis Mangold Sr.  
left Sunday on a visit to relatives and  
friends at San Antonio.

Sunday was a gala day at the hospi-  
table home of Mr. and Mrs. Emil  
Zimmermann of Lower Medina, the  
occasion being a double birthday cele-  
bration. Mrs. Zimmermann passed her  
50th anniversary last Tuesday, Sept.  
5th and Mr. Zimmermann will pass the  
54th mark next Tuesday, Sept. 12th.  
All of their children and their kith and  
kin were present and the day was  
pleasantly spent in feasting and cele-  
brating the happy event. We heartily  
join the many friends of the venerable  
couple in wishing for them many happy  
returns of their natal day.

### Texas Farm Mortgages.

According to the Federal Census  
for 1910, we have 416,377 farms in  
Texas, and only 131,161 of these  
farms are owned by the farmers who  
operate them; we have 219,106 ten-  
ant farmers, 2,278 farms operated by  
managers and 63,832 farmers who  
partly own their farms.

There are only 32 per cent of the  
farmers of Texas who now own their  
farms, and in 1900 there were 38  
per cent of our farmers who owned  
their farms, free from debt, showing  
a decrease of six per cent in the num-  
ber of farmers who own their farms.  
In the absence of detailed reports, we  
can only speculate as to the causes  
that have led to this undesirable re-  
sult.

We have opened up during the past  
decade 64,187 new farms and a por-  
tion of the increase in indebtedness  
will undoubtedly be found in this  
item. A large number of immigrant  
farmers have come to us and, as a  
rule, they buy farms and make only  
partial payments. The young farmer  
starting out in life may be justified  
in buying a farm on credit, but cer-  
tainly there is no good business rea-  
son why the Texas farmers who have  
been farming for years should be in  
debt or why a tenant farmer should  
not, in the course of time own his  
farm and if such results cannot be  
reasonably hoped for, then there is  
something wrong with out economic  
system.

Uncle Sam has given us facts  
and figures, but he leaves us to solve  
our own problems. When we con-  
sider that 352,545 farmers have  
rented or have mortgaged farms, we  
get a conception of the tremendous  
importance of the problem. The ques-  
tion would seem to justify thoughtful  
consideration at the hands of our  
foremost economists, if indeed it  
does not warrant the attention of the  
Legislature.

Next to the importance of a  
bountiful Providence in getting the  
farmer out of debt, is cheap money.  
No farmer can pay 10 or 12 per  
cent interest and prosper and no  
other line of industry can thrive un-  
der such a handicap. Texas should  
secure access to the cheap money mar-  
kets of the world by removing such  
legislative restrictions as may exist  
and pass such laws as will encourage  
the flow of cheap money into Texas.

There are only 32 per cent of the  
farmers of Texas who now own their  
farms, and in 1900 there were 38  
per cent of our farmers who owned  
their farms, free from debt, showing  
a decrease of six per cent in the num-  
ber of farmers who own their farms.

can only speculate as to the causes  
that have led to this undesirable re-  
sult.

**A Great Advantage to Working Men**

J. A. Maple, 125 S. 7th St., Steuben-  
ville, O., says: "For years I suffered  
from weak kidneys and a severe bladder  
trouble. I learned of Foley Kidney  
Pills and their wonderful cures so I be-  
gan taking them and sure enough I  
had as good results as any I heard  
about. My backache left me and to  
one of my business, expressman, that  
alone is a great advantage. My Kid-  
neys acted free and normal, and that  
saved me a lot of misery. It is now a  
pleasure to work where it used to be a  
misery. Foley Kidney Pills have cured  
me and have my highest praise."

Most of us would rather tell our  
troubles than listen to the trouble tales  
of others. And we always love the  
one who listens well when we tell 'em.

COME to the Carnival and Jubilee!

CONTENTMENT is the world's richest gift to man!

STRAIGHT ahead is usually the best way around difficulties!

HEAVEN helps those who help themselves only to what is good for themselves!

NONE fail quite so ingloriously as they who spend in preparation the time allotted for achievement!

HE practices the best religion who makes a practice of keeping an enlightened and a clear conscience!

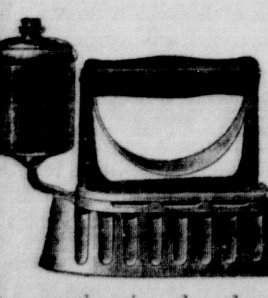

WOULDN'T it be the irony of fate if in the effort to find a successor to Joe Bailey we get a worse problem than the Bailey Question?

JOE Boehmer says "be good and you will be lonesome". Now, as Bill Easterling would say, the question of the hour is—js Boehmer ever lonesome?

By this time next week the grand Carnival and Jubilee will be on in full blast. Get the carnival spirit and help boost it along. Let every one do his share to help make the event a success.

THE cotton crop will soon be all in and the time to prepare for a bumper crop next year is right now. Early and deep fall breaking of land in this country is the best preparation for a crop and if winter rains come practically assures a crop with any reasonable sort of cultivation.

ALEXANDER sighed for more worlds to conquer—and succumbed to his own vanity!—Hondo Anvil Herald. And fried ingerns.—Alpine Guide. We hate to spoil this fine anticlimax, but we have to do it because there is something wrong somewhere. We were certain that Alexander either sank because he couldn't swim the Brandywine with Washington or chose death with Patrick Henry because nobody would give him liberty. But we are glad to know that such an eminent historian as "Kuzzin Bill" wouldn't let him perish until he survived long enough to die eating ingerns with Napoleon!

THE more the Anvil Herald views the prospective candidates for the Joe Bailey succession the more thoroughly are we convinced that John N. Garner is the man of the hour. He is sound on those tariff principles that, in the event of Democratic ascendancy, means so much to the state and he is not entangled with any of the factions that now divide the Democracy of the state. Hurrah for John N. Garner!

THE San Antonio Express set the pace for Texas newspaperdom by issuing an industrial edition of 132 pages on the 7th instant. This edition will be a valuable advertisement to all of this section and especially to Medina County by calling attention to its mammoth irrigation enterprise now being set on foot by Dr. Pearson and his associates.

**Ringling Bros. Show.**  
Announcement is made that on Saturday, Oct. 7th Ringling Brothers' World's Greatest Shows will give two performances in San Antonio.  
As in past years Hondo will send its percentage of the surrounding country to swell the throngs. This is the greatest of American circuses in every sense of the word, and an event not to be overlooked by the lovers of wholesome amusement.  
For many years the Ringling Brothers have maintained the most popular as well as the best show. This year they are more than ever giving patrons their money's worth. Among the many great attractions under the twelve acres of canvas are Prof. Emory's troupe of trained baby elephants, the wonderful Schuman performing horses from the Circus Schuman, Germany; "Toque" the dog marvel of England which does a somersaulting performance on the back of a swiftly running horse; the wonderful Alex family of French aerialists; the great Crocker family of Gypsy riders; the Deltorelli family of Hungarian clowns, once entertainers in the court of the Shah of Persia; the Bonsetti family of Italian acrobats, the Castrillon family of Spanish acrobats; the Hodgini family of Italian equestrians, and the fifty greatest clowns on earth.  
In the menagerie is found Tiny Tom Tinker, the smallest elephant ever seen in America. In all there are forty elephants and 1,200 other wild beasts, comprising the rarest of zoological specimens. The morning parade is the greatest street spectacle ever devised for circus purposes. There are three miles of it and every mile a mile of wonders.  
Ringling Brothers' circus is twenty-eight years old. It began its career as a one-horse affair in Baraboo, Wis., when the now famous brothers were scarcely more than children. In the face of the bitterest opposition it grew into the greatest amusement institution the world has ever known. Its field extends over the entire earth. It has offices in every capital of Europe and Asia and foreign workshops near Liverpool. It employs over 2,000 people, 1,286 of whom travel with the show.

## SNAPSHOTS AT CELEBRITIES

R. L. Borden, Canadian Leader of Fight on Reciprocity.

R. L. Borden, opposition leader of the recently dissolved Canadian house of commons, is head of the Conservative party in Canada. By his obstructive tactics during the last session he prevented the Liberal party from obtaining a vote on the reciprocity agreement. In the course of a recent speech Mr. Borden asserted that reciprocity would be, and so far as the United States is concerned is intended to be, merely the first step toward actual annexation of Canada.

"It is beyond doubt," said Mr. Borden, "that the leading public men of the United States, its leading press and the mass of its people believe annexation of this Dominion to be the ultimate, inevitable and desirable result of this proposition and for that reason support it."

There could be but a sinister meaning, Mr. Borden affirmed, in President Taft's declaration that "Canada stands at the parting of the ways."

Robert Laird Borden, K. C., represents Halifax, N. S., in the Canadian parliament. He was born in Grand Pre, N. S., in 1854 and after graduating from Acadia Villa institute was professor in the Glenwood institute, New Jersey. On his return to Nova Scotia he studied law and was admitted to the bar in 1878. In 1890 he was created king's counsel. He entered parliament in 1896 and soon made his presence felt. Five years later he was chosen leader of the Conservative party in succession to Sir Charles Tupper.

**Mississippi's New Senator.**  
James K. Vardaman, who recently won in the primary election for United States senator from Mississippi, has been twice governor of the state. Senator Leroy C. Percy, the present incumbent, was elected by the legislature last year to fill the unexpired term of the late A. J. McLaurin, and his term will not expire till 1913. But Mr. Percy, who was a candidate for the full term against Vardaman, has signified his intention of resigning when the legislature meets in January, and Mr. Vardaman will undoubtedly be elected to fill out the balance of that term as well as the succeeding period of six years. Three years ago Vardaman contested with John Sharp Williams for the senatorship and lost by the narrow margin of 325 votes out of a total of 117,525.

Senator Vardaman is a native of Texas and in his fiftieth year. His youth was spent on a farm in Mississippi, where he picked cotton and cut railroad ties until he was admitted to the bar. Before being elected to the governorship he had made his mark in the state legislature, where he served as speaker. During the Spanish war he served in Cuba, reaching the rank of major, and was for some months in charge of the military court at Santiago.

**Women Appreciate the Ballot.**  
Mrs. Edward Taylor, wife of a member of congress from Colorado, denies that in her state the women are tired of the ballot. Mrs. Taylor says there are in Colorado 30,000 more men than women, yet in the elections last fall the vote cast by her sex was 43 per cent of the total.

## HUMOROUS QUIPS

Mother Goose to Date.

Little Miss Muffet  
Sat on a tuffet  
Pshaw, what an ancient song!  
In a hobble gown  
One can't sit down  
So another good tale's gone wrong.

Twinkle, twinkle, little star,  
How I wonder what you are!  
In your brand new harem dress  
You're a puzzle, I confess.

There was a man in our town  
Who was so wondrous wise  
He said he'd never marry  
Because of hooks and eyes.

Rock-a-bye, baby! On you we date,  
But mamma 's a suffragette, gone out to vote.  
When she comes home she'll tell you the news—  
Who's the next president that she will choose!

High-diddle-diddle,  
The cat and the fiddle,  
The cow jumped over the moon,  
And that's no joke  
When you find you're broke  
And you want roast for your dinner at noon!

—Lippincott's.

An Autocrat's Relaxation.

"Yes," replied Mr. Dustin Stax; "after I have fretted over a golf match there's nothing rests me up like getting back to my desk, where I can have everything my own way."—Washington Star.

A Slight Mistake.

"He's always been growing, but of late he is getting snappish."  
"Haden't you better have him killed?"

"No; my husband."—Baltimore American.

Plenty of Company.

"Yes, she went crazy over bridge."  
"A sad case."  
"Oh, no great harm done. They put her in a fashionable sanitarium, and she's playing a better game than ever now."—Louisville Courier-Journal.

Good Enough.

Wife—I suppose if you should meet some pretty young girl you would cease to care for me.  
Husband—What nonsense you talk! What do I care for youth and beauty? You suit me all right.—M. A. P.

His Failing.

Major Gore—The counsel, I am sorry to say, hardly ever knows when he has had enough.

Judge Hegad—No, sir. When the colonel has had enough he doesn't know anything.—Puck.

Right There.

"Go to the ant, thou sluggard!" said the stern old sage.  
Without raising his head from the grass the sluggard replied lazily:  
"There's an ant hill right under me, pard."—Chicago Post.

A Good Way.

"You are actually encouraging your boy to write poetry?"  
"Yes, and to send it to the magazines. I don't know of any better way to take the conceit out of him."—New York Journal.

Hamilton—He is a good judge. He's going to open a butcher shop in the vegetarian settlement.—Judge's Lib.

## Don't Shock Your Liver With Calomel

Dodson's Liver-Tone Persuades It to Work Naturally and Safely—No Restriction of Habits or Diet.

If you have a sick horse, you cannot make him work by beating him, and if you try it you are liable to ruin him forever. It's the same way with your liver. When it becomes torpid and sluggish, you can take calomel and whip it into action, but the calomel will leave your body weaker and sicker than ever. Calomel is a very powerful chemical made from mercury.

A perfect substitute for calomel, that has all of its medicinal properties with none of its dangerous and uncertain follow-ups, is Dodson's Liver-Tone.

W. H. Windrow's drug store sells Dodson's Liver-Tone with the guarantee that if you don't find it a perfect substitute for calomel, this store will give you your money back. Dodson's Liver-Tone is a true tonic for the liver, purely vegetable; and with such a pleasant taste that it is no trouble to get children to take it. It is absolutely impossible for it to do anyone any harm, because it simply persuades the liver to do what it ought to do—no more and no less.

## The Less They Know the Better Business Not Conducted On Knowledge.

But few of the men who sell the hundred different paints in the market know much about them. All Devoe agents have a state chemist's certificate telling just what it's made of; they know a good deal, not only about Devoe but the rest. Devoe buys every paint, that has any sale, and analyzes it. Devoe agents find out all about it.

When we know what a paint is made of, we know how it will act; we know how far it goes, and how long it wears.

Devoe is the standard; call it 100. The best of the rest is about 75; the worst about 25; the rest are between.

But the men, who sell them, don't know any better. They know what the maker tells them. This is: they know that he tells them. They don't know whether he tells them the truth or not.

The business is not conducted on knowledge; the less they know, the more comfortable they are.

## Mothers' Club.

The Hondo Mothers' Club met at the High School building Monday afternoon, Sept. 11, the President, Mrs. G. W. Monkhouse, presiding.

The members responded to roll call with quotations from Thomas Gray.

The minutes of the last regular meeting were read and approved.

The names of two new members, Mrs. W. H. Windrow and Miss Maddock, were enrolled.

The chairman of the Committee on Year Books reported the program for the year's work drawn up. The same was read, and was accepted by the Club and the books ordered to be printed.

It was decided to give a dinner during the coming Fair to raise money with which to supply the High School Grades with badly needed supplementary reading.

Prof. T. C. Hickman addressed the Club, giving a brief account of what the Club, with the aid of patrons and pupils had done during the past year towards bettering the equipment of the school rooms, by placing books, for supplementary work, maps, charts, dry measure vessels, liquid measure vessels, blocks, scissors, pictures and sanitary drinking fountains at the High School building. Prof. Hickman also touched briefly on the advantages of a High School and the value of working up in our community a school sentiment, after which the Club adjourned to meet in a called meeting on Thursday afternoon.

A called meeting of the Mothers' Club was held at the school building Thursday afternoon. In the absence of the president, vice-president, Mrs. R. H. Hudspeth, presided.

## Young People Wed.

Tuesday morning at 9 o'clock at the home of the officiating minister, Rev. D. B. Clapp, pastor of the First Baptist church, Mr. Arthur H. Ward and Miss Edith McKay were united in marriage in the presence of a company of intimate friends and relatives. Mr. and Mrs. Ward are now at home at 711 W. Maiden street, this city.

The young couple are well and favorably known to residents of this city. The groom came to Vernon several years ago from Arkansas to accept a position with W. C. Hawkins, furniture dealer, which place he has filled continuously since that time, and has made many lasting friends in local business and social circles. Although Miss McKay had resided in Vernon only about one year she had made many friends, having come here from Sabinal, Texas, with her mother, Mrs. J. N. Grimes. Since coming here they have made their home at the Hotel Vernon.

The Record joins the large circle of friends of Mr. and Mrs. Ward in extending congratulations and in expressions of good wishes.—Vernon Record.

The bride will be remembered as a little girl by many Hondo friends who unite in wishing her happiness.

## Philathea Class Meeting.

The Philathea Class met with Miss Emma Miller on Tuesday, Sept. 12th. This was a very important meeting as it was the election of officers for the ensuing year.

There was much interest manifested in this election, owing to the fact that it gave the ladies a "chance to vote."

Our President Mrs. Hickman who has served us so faithfully and zealously through the closing year declined the nomination. And it was with much regret that the Class gave her up.

The following officers were elected: Mrs. Barnes, President; Mrs. J. Horger, Vice President; Mrs. R. Chaney, re-elected Secretary; Miss Pearl Newton, Treasurer; Miss Dott Johnson, Press Reporter. To each of these the class extends a hearty welcome and knows that under their leadership the class will make long strides toward the goal of success.

Miss Emma Miller proved herself a genial hostess, and the class is indebted to her for a very pleasant afternoon. A most delightful course of ice cream and cake was served.

The class adjourned to meet Tuesday 26th of Sept.

Mrs. J. T. Horger returned Saturday from her visit to San Antonio.

Don't forget the date—21st, 22nd and 23rd—our Fall Opening. The Leader.

## Grand Meeting and Barbecue.

The Farmers' Union of Medina Co. held its regular meeting at Biry with Briar Branch Local Saturday, Sept. 9, 1911, in connection with a grand picnic and barbecue, in the beautiful Grove of Alb. Bilhartz.

About 9 o'clock, delegates and visiting members began to arrive and by 12 o'clock the dinner was spread by the ladies, and Bro. Florean Bendele, who is an expert when it comes to barbecuing a fat calf, presided over the cooking part. After dinner was over, some of the crowd looked a little uncomfortable but soon brightened up and got ready for business. When our hard working Union Leader, President Henry R. Wernette, called the meeting to order for business. Our meeting was held behind closed doors and some very importance business transacted. Medina Co. Farmers' Union had a hard time to get in proper shape, but let me tell you the Union is in a shape now where we can do business. The Farmers' Union Warehouse at Hondo with Bro. C. B. Leinweber as manager, is handling Cotton and Cotton Seed and is always paying the highest market price.

Bro. Joe Langfeld is the Chief Union Speaker and hard worker for the Union.

He always brings good plans and business matters and explains in our meetings. He is one of those old sun burned Farmers who never gets tired as long as he can see work undone.

Will close for this time wishing success to the Farmers' Union.

Albert Bilhartz,  
Co. Sec. and Treas.

## Crowds Going to Circus.

A great many Hondo people are going to San Antonio on Saturday, October 7th to the Ringling Bros.' Circus. It will be the only opportunity this year and the railroads are preparing to handle thousands of visitors from the surrounding territory.

Ringling Brothers have made many important improvements since they last appeared in this part of the country. At Madison Square Garden, New York, where the season began, the performances were attended nightly by the biggest crowds that ever saw a circus in Manhattan, and the newspapers were not backward about saying that the Ringling Brothers were presenting, in every respect, the best entertainment of the kind ever given there. The performances in San Antonio will be identical with those given in the Garden, not the slightest change having been made in the long program.

The circus offered this year is one of wonderful novelty. Instead of the usual single thriller presented by other circuses, the Ringling Brothers are heading their bill with no less than seven of the greatest and most sensational acts that have ever been presented anywhere on earth.

The parade will be given in the forenoon. It will far surpass the brilliant pageants which the Ringling Brothers have given in past years, having been entirely rebuilt in the foreign workshops of the show at Liverpool, England.

Deed from

J. M. Carnes, as Attorney in fact for D. F. Webb, to T. J. J. Johnson and wife, M. E. Johnson, to this plaintiff, dated May 7, 1895, conveying the above described land, which said deed is of record in the Deed Records of Medina County, Texas, in Book A., No. 27, on page 488.

Plaintiff further alleges and claims that he has good and perfect title to said land and premises, under and by virtue of the Statute of limitation of three years, for the reason that plaintiff, and those under whom he claims, have had peaceable and adverse possession thereof under title or color of title, for more than three years prior of the institution of this suit.

Plaintiff further alleges and claims that he has good and perfect title to said land and premises under and by virtue of the Statute of limitation of five years for the reason that plaintiff, and those under whom he claims, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same and paying all taxes due thereon, and claiming under a deed or deeds, duly registered in said Medina County, as aforesaid, for more than five years prior to the institution of this suit; Said deed from T. Plaintiff further alleges and claims that he has a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of ten years, for the reason that plaintiff, and those under whom he claims, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same for more than ten years prior to the institution of this suit.

Plaintiff brings this suit for the purpose of determining the estate and interest, if any, of each and all of the Heirs of the said Joice O'Donovan and Ellen O'Donovan, the defendants herein, in and to said land; and that Court may grant the title to said land and premises unto plaintiff free of any and all claim or claims or pretense of claims of said defendants or any claiming under them so as to settle a decree of Court the title to said land and to remove all cloud therefrom.

Wherefore, plaintiff prays that the defendants, the names and places of residence of whom are unknown to plaintiff, be cited by publication prescribed by the statutes of this State and that upon a final hearing that plaintiff have judgment and decree of Court, declaring and adjudicating title to the above described land and premises to be in plaintiff free of any and all claims in favor of said defendants or any of them, or of any person claiming under them and for such relief and further relief, general or special, legal or equitable, to which plaintiff may be justly entitled.

## MAY CALL MILITIA

KANSAS GOVERNOR THREATENS MILITARY ENFORCEMENT OF LIQUOR LAW.

Volunteer Association Says Prohibition Law Is Not Enforced.

Pittsburg, Kan.—So many are the infractions of the prohibitory law in Crawford county, Kansas, that the militia is expected to be called out at any time by Gov. Stubbs to assist in law enforcement. Gov. Stubbs recently called the volunteers to form a kind of moral guerilla band for raiding Crawford county. Liquor valued at \$12,000 was seized in wholesale houses under instructions from the attorney general.

Orders Liquor Returned.

Judge Charles Sapp of the district court of Crawford county has ordered a cessation of operations of the Crawford and Cherokee Volunteer association. He has also held that the liquor seized from the wholesale houses was wrongfully confiscated and has ordered it returned to its owners.

Members of the Cherokee and Crawford County Volunteer association say that saloons in Cherokee county are equipped as are saloons in states where the sale of liquor is legal. There are 35 such saloons in Cherokee county. In Crawford county, the volunteers say, there are only eleven open saloons and twenty-seven joints. The mining towns in which several murders have been committed recently, are the location of open saloons and several wholesale liquor houses. The members say that there are seven saloons and one wholesale house in Wier, six and a wholesale house in Scammon, nine and a wholesale house in Mineral, seven in Corona, one in Stippville, two in Turck, four in Skidmore and one in Daisy Hill.

## IS UP TO PROHIBS

GOVERNOR OF OKLAHOMA TELLS PROHIBITIONISTS HE WILL MAKE THEM DEPUTIES.

Believes They Should Help to Enforce Prohibitory Law Without Pay.

Oklahoma City, Okla.—Aroused by the charge being made by the prohibitionists in Oklahoma that the state officials are not enforcing the prohibitory laws, Gov. Lee Cruce has put it fairly up to the prohibitionists to see what they can do toward enforcing the laws by agreeing to appoint as many of them deputies as may desire commissions.

It is up to the prohibitionists of this state to make good their claim that prohibition is effective, and if they are willing to undertake to suppress the illegal sale of liquor without pay, I will furnish them with all the commissions they need," the governor declares.

Will Take 500 Men.

The governor says that 500 men could break up "boot legging" in Oklahoma, but the state has made no appropriation to pay for that number of deputies.

"It is impossible to get absolute prohibition, just as it is impossible to entirely prevent any crime," the governor says, "but illegal liquor selling can be greatly reduced. I believe that so long as there are laws on our statute books, they should be enforced, and as governor I will do what I can to enforce them. It is up to the prohibitionists."

## LOCAL OPTION AS A TEXAS SENATOR PUTS THE ISSUE

Dallas, Tex.—Former State Senator Senter of Dallas was challenged by B. Q. Evans in the recent prohibition campaign to a joint debate on the question of county option. Senator Senter replied as follows:

"My engagements preclude a political campaign on my part at this time. If, however, you wish a subject for discussion relevant to the issue, I beg to suggest the following:

"Resolved, That the people of Hunt county are in a better position and are better qualified to determine what is best for the people of Comal county in the way of prohibitory legislation than the people of Comal county."

"Or, if you prefer to put it on the reverse side:

"Resolved, That the people of Comal county should be empowered by law to vote prohibition out of Hunt county."

"On each proposition you assume the affirmative. Of course, I take it as unquestioned that you, as a just and fair man, are willing to give the people of Comal county the same authority with respect to the affairs of Hunt county that you seek to give the people of Hunt county with respect to the affairs of Comal county."

So far B. Q. Evans has not agreed to debate on the issue as it is stated.

"DRY" TOWN BUYS 1,500 WHISKIES IN 15 MINUTES.

Easley, S. C.—Despite the fact that no one is supposed to sell liquor in the State of South Carolina except the county dispensaries, a man named Doolittle passed through here recently with a large supply of intoxicants and disposed of fifteen hundred bottles in fifteen minutes. He was arrested in Spartanburg and charged with "bootlegging."

A TRIPE FAMINE.

"I want to get two pounds of tripe," said the lady entering the shop. "Sorry, ma'am," replied the keeper, "but we haven't any tripe today." "No tripe? Why, it's in season." "No, ma'am, there's no tripe being shot just now." "No tripe being shot! Why, what are you talking about?" "I—I should say, ma'am, that the fisheries commission won't allow tripe to be caught now." "Are you crazy, man? I don't want fish! I want tripe!" "Well, what in thunder is tripe, ma'am?" "Why—why, I don't know just what it is, but if you haven't got any I'll try some other place."—Yonkers Statesman.

An Extraordinary Case.

A young attorney not noted for his brilliancy recently appeared in court to ask for an extra allowance in an action which he was so unfortunate as to have been retained in. The court, not discovering anything at all unusual, complicated or extraordinary about the litigation, inquired of the young man: "What is there about this that to you seems extraordinary?" "That I got it," blandly and innocently replied the youthful aspirant for fees.—Case and Comment.

Times Have Changed.

"He must be a literary person."

"Why so?"

"His hair is long and unkempt, his linen soiled and his clothes ragged."

"My dear sir, that fellow is merely a tramp. That was a literary person who whirled by us just now in a \$7,000 limousine."

SPITEFUL THING.

Miss Pert—Ever since I refused Tom two weeks ago he hasn't been sober a day.

Miss Caustique—Not tired celebrating, eh?

A Hard Case.

The knight of old who wore steel pants— And for a cap, a kettle— Was silly to dress thus, but still, He was a man of metal.

The Brazen Culprit.

An eastern man was charged with stealing a Christmas kiss without mistletoe sanction and asked the judge if he couldn't testify in his own behalf.

"Go ahead," said his honor.

"Well, all I have to say is," remarked the brazen culprit, "that no matter what you fine me the kiss wasn't worth it!"

Whereupon the plaintiff fainted and the judge said ten days.

A Woman's Reason.

"Why," asks the inquisitive person, "do you enjoy having some one tell you that you are pretty, when you know you are not? Does it make you believe that you are?"

"No," she answers readily. "But it makes me believe that he believes I am."—Judge.

Only Moderately Ambitious.

"If you want to be strong and healthy, Millie," advised Aunt Jemima, "eat a raw onion every morning before breakfast."

"I'd rather not do that, auntie," said Miss Millicent; "I shall be satisfied with being merely healthy."

Force of Habit.

The baseball umpire had retired to his winter quarters.

"Jack," said his wife one evening, "Tommy has been a naughty boy today."

"Well," he rejoined, absent minded, "I'll fine him \$25."

The Cost of Living.

"I suppose that must be reckoned into the cost of living, too."

"What?"

"The grocer sent our cook a swell New Year's present."—Yonkers Statesman.

Why He Has Quit.

"Do you dance?"

"No, I've given it up."

"Religious scruples?"

"Not exactly. My wife always chides me unless I limit myself to dancing with ladies who are older than she."

A Case for Shocking Language.

"Had a shocking accident out at our house last evening."

"Why, what was it?"

"I tried to fix the electric fixtures without shutting off the current."

## Texas Needs Great Men

III. MISTAKES.

THE statesmen of China have fought back civilization for four thousand years and today it is the most benighted nation of the globe. The Mohammedan government ordered the world's greatest library at Alexandria burned and the followers of the prophet are to this day bound in fetters of ignorance. The dark ages were the result of nations fighting back the tide of civilization. Since the beginning of government, some of the leading statesmen of all countries have become badly frightened at the processes of civilization.

MOHOMET'S MISTAKE.

The smoke of a factory has been distorted into the visage of a terrible ogre; the whistle of a locomotive has been mistaken for the war whoop of an Indian and the approach of capital has scared many of our amateur statesmen into fighting a duel with civilization. Texas needs leaders who will not become frightened at the torch of knowledge or stampede at the forces of progress. Texas needs great men.
